“100” Club

Great news! Paul and Sue Madden have joined me in the Club team taking over from Ken Gee. As you may remember, Ken collected money and distributed prizes for the Club and recently stepped down after many years of service.

Ken would also seek out new people to join and I know there are some of you out there that we have not been able to see yet. Paul will be doing most of the knocking on doors, with Sue supporting him but as she is currently on nights, it is probably Paul that you will see.

The 100 Club contributes over £600 per year to the village hall and it is vital we keep this going and if possible, increase it. We have had the hall for 20 years now and we are proud to have been of service helping to raise much needed funds.

Real thanks goes to all of you who have supported us with your monthly contributions, so next time you see Paul or Sue or both of them please make them welcome. A special thanks from me to both of them and I am looking forward to working with Paul and Sue for a long time.

At the meeting on 18th May we were entertained by Stephen Pope with a talk on farming history and the working horse. On Saturday 20th we held our Spring Sale in aid of club funds and £400 was raised. We would like to thank all those who came and spent so generously.

The next meeting will be the outing on Thursday 22nd June, leaving the Market Place at 10:15am

There will be no meeting in July and the next regular meeting will be on Thursday 17th August.

Mobile Phone Mast Update

Following Breckland Council's rejection of the planning application by Telephonica to install the mobile mast at the Village Hall. I am sorry to report that they have decided not to contest this decision.

Telephonica are now actively assessing sites in Old Buckenham. Ultimately it was the objection from Historic England who considered that the mast would harm the view from the castle grounds that resulted in Breckland rejecting the application. The Village Hall Trust would like to thank all those who supported the efforts of the Trustees to site the mast at the end of the Village Hall field. We will eventually get a mobile phone signal but it will not be as strong as if the mast had been located in the village. Sadly New Buckenham will not benefit from the income that the mast would have provided.

Juliet Fulford on behalf of New Buckenham Village Hall Trust

Village Walking Group

Our next walk , on Sunday 25th June will be through two lovely woods at Wreningham and Ashwellthorpe. It is an easy 4/5 mile circular walk. Longs Wood is a private wood with public access and Lower Wood, Ashwellthorpe is a medium sized ancient woodland recorded in the Domesday Book.

The starting point will be Longs Wood Car Park on Wymondham Road (NR16 1AT), however, we will meet as usual at the Market Cross at 10am.

We will be booking for lunch for those interested at The Bird in Hand, so if you would like to join us for lunch, please let us know by Monday 19th June.

Paul & Carol 01953 861117

..... I would like to thank Geoff and Gerry Gildersleeve for organising the walk on 14th May through Thetford Forest in the area known as the Warren. We were blessed with glorious weather, comfortable terrain and delightful surroundings. Wildlife was in abundance with wonderful birdsong, and various members of the party spotted deer and a snake thought to be an adder (well spotted Rory) which soon slithered away sensing our presence. The walk was followed by a welcome pint and lunch at White Lodge.

New Buckenham Art Exhibition

I hope you found time to visit the Art Exhibition this year as it was a lovely show with such skilful work and wonderful creative interpretations of subjects. The weekend was busy and we had some nice comments from our visitors and artists. It is good to get 'feedback' as it makes all the hard work worthwhile.

It is difficult to mention everyone who helped with this event as there were so many of you and I would hate to forget a person. A big thank you to all our Cake Makers for the wonderful delicious cakes.

A big thank you to everyone who gave time to steward at the exhibition. A big thank you the helpers who displayed all the 410 paintings on Friday morning and the lovely lunch which was prepared for us all.

A big thank you to the people who helped on the Opening Night and the strong men who helped put the screens up and those who gave time on Easter Monday to lift them all back into the store room. Many more also helped that day to return unsold pictures back to artists. We thank Ken and Angela from the Garden Enclosure at Banham for their lovely display of plants in the foyer. A big thank you to our few local businesses for supporting our feature in the Mercury free paper.

Without them there would not be a feature to advertise this exhibition.

THANK YOU TO EVERYONE.

Hazel Rush, Art Exhibition committee.

Come and join us for a homemade, vintage style, cream tea lunch, followed by a fun afternoon of painting and creating. Learn chalk painting techniques and enjoy a craft of the day, in a friendly, nostalgic atmosphere.

Nocturnal Action in New Buckenham!!

Have you spotted the night-time visitors who rush about this village under cover of darkness? They are silent and swift and dash in to grab a night-time take-away...and almost nobody knows they're there! I am talking about BATS, of course.

I've been fascinated by the bat activity up here at Hunt's Farm for years and the Neighbourhood Plan project, inspired me to get on and DO something about it, since this environmental information will be valuable in establishing the nature (spot that pun?) of the environment the village is in. So I joined the Norfolk Bat survey run by the British Trust for Ornithology. The BTO provides the electronic equipment which is left in appropriate places over three consecutive nights. The recording is triggered by a pre-set sound wave frequency. We chose 3 locations. The first was Hunt's Farm, since I know that a large number of bats zoom up and down the Tas Valley Way, (obviously following the footpath signs!!) The second was the Castle, where the environment is superb as it is away from street lights, which bats avoid, and there is water where some species can feed. The third was St Martin's Church where a previous survey done in 2013 suggests there are few if any bats in the belfry but a number around the building. We were very worried that the survey would be a disaster because the weather on the chosen nights plummeted to 5 degrees centigrade and lower. However, HURRAY! Between May 8th and 11th, an incredible 3,493 recordings were made automatically. Many reveal bird song, but in between, when the birds have snuggled down for the night, the high level squeakers - the bats - came out. The BTO experts have sent us their preliminary findings. We can now proudly say that those night time visitors include: brown long-eared bats, the common pipistrelle, Daubenton's bat, Leisler's bat, Natterer's bat, Serotines and Soprano Pipistrelle. I'll get the results up on the Neighbourhood Plan web site when it gets up and running. If you have any batty information gleaned from wherever you are around the village, please do get in touch.

Village Show

New Buckenham`s Annual Village Show takes place at the Village Hall on Saturday, July 15th. As ever, we look forward to receiving a bumper crop of entries with an ethos of friendly competition, so make this the year when you enter for the first time alongside some of our "regulars." We have a number of very talented people in the village but classes are won by different people each year so it really is a level playing field (or level lawn, in gardening terms!) Don't forget that there are classes for cookery, flower arranging and photography in addition to fruit, vegetables and flowers so there are a number of opportunities to display your talents! There is also "Up the Wall," the entry class for hanging baskets, wall containers and window boxes. There are some fabulous floral displays throughout the village so please enter this part of the show. Entry forms will be delivered soon otherwise phone Jimpy (01953 860191) for a form. All show entry forms should be delivered to 9, St. Martin's Gardens by 7pm on Thursday, 13th July or earlier if possible.

We are also hoping that the young saplings in the village will do us proud this year. Miniature pea seeds have already been delivered to all our youngsters so get your seeds planted and start planning your other entries!

If you are a trophy winner from last year's show, please would you be kind enough to return your trophy to Violet Highton or Pat Oxley as soon as possible or by 1st July at the latest? A gentle polish would be greatly appreciated!

As the Gardening Group Committee consists of a small number of people, we would like to ask for some help as follows:-

Can you spare an hour on Friday evening to help us set up the show? Are you able to bake a cake for refreshments or help out with teas and coffees on the afternoon of the show? Could you contribute a few small gifts for the tombola? If so, please deliver to Trish Mallett or Helena Greenaway.

If you are able to support us in any way with the running of our Show, please contact Jimpy Casson, our chair, myself.

Many, many thanks,

The Anglian Singers

Village life is such a pleasure because people support each other..... There are roughly 350 adults in New Buckenham, and the Anglian Singers have put together a programme in which there are items to appeal to EVERYONE, so please come and enjoy the evening.. Naturally not everyone will enjoy everything, but it is always good to hear a wider range of music, and you may even add to what you know you enjoy. The Anglian Singers are an experienced amateur choir who perform widely, and we are pleased that they have been able to include us in their schedule. There will be refreshments (Wine and Strawberries, perhaps, depending ...), and donations will be appreciated for St Martin's. What about having a picnic outside before the concert, weather permitting? Hope to see you ALL!
