Parish News News

Every month, *Parish News* is distributed free to every house in the village, and we are very grateful to the Parish Council and all those villagers who have helped to cover our production costs during 2020. We are also grateful to those businesses who choose to advertise with us, especially during these difficult times.

If you would be interested in sponsoring an issue of *Parish News* in 2021, please contact Mary Dowson on 01953 860320 or mdowson@btinternet.com.

Parish News Committee

Please be Aware

Around lunchtime on Thursday 25th March, a man exposed himself to a woman walking alone at the Dam Brigg and then proceeded to follow her in his van as she walked back up into the village. The incident has been reported to the police and was mentioned on the village Facebook page, but is included here to raise awareness among those who may not have heard about it already.

Village Hall Update: Spring 2021

Some of you will have noticed the scaffolding on the roof of the Village Hall, which marks the start of the “Refurbish Our Village Hall” project.

The Trustees agreed to use the money from our recent bequests to invest in a building project which includes:

- Fixing the roof;
- Insulating, re-plastering, painting and decorating the Hall;
- LED lighting and new flooring for the entrance and the meeting rooms;
- Replacement of the external doors;
- Replacement of the fencing around the car park.

This is a major piece of work undertaken by the Trustees. Our Hall is 25 years old and it needed some attention – what better way to spend this time and our generous bequests than to make it a more comfortable and welcoming venue for the future?

The Village Hall Trust is a registered charity, managed by a group of Trustees representing a cross-section of our community. We currently have vacancies on the Trust, so if you are interested in getting involved in managing a community venue please contact us at bookings@newbuckenhamvillagehall.co.uk

We look forward to welcoming our community back in the coming months!

Work on the Moat

Some of you will be aware that I have been clearing the moat area next to the cricket pitch over the past seven weeks. This was something I had taken upon myself to do, as I felt that managing the area would encourage more wildlife.

I made some enquiries as to whether the land was owned by the Parish Council, but could not find out conclusively. On Saturday 20th March, I was advised by Andrew Bingham, Vice-Chair of the Parish Council, that what I had done was fine, but that I should stop, as the land does belong to the PC. I was a bit upset at this, but over the next couple of days cut back no more of the bushes, just continued to clear and pile up the debris. On Monday 22nd March, Parish Councillor Don Crossman and Charles Oxley came to see me at the site and told me I must stop. Things became a bit heated, I lost my temper and swore at them both. I would like to take this opportunity to publicly apologise to them for my behaviour.

I have finished the work now and have plans to clear the debris. I'd like to thank all the people who passed positive comments as they went by, saw me in the village or via Facebook. I was particularly pleased with the comments from a Norfolk Wildlife Trust employee, who said the work would be good for wildlife.

Kings Head Secrets – something's afoot, but Danny won't tell! Intriguing. The KH will not open on April 12th. The rules allow outdoors only and table service, however, their outdoor space is not big enough, the weather unreliable and checking two households with no more than six sitting 2m apart is impossible to police. Further, using the facilities means you go inside anyway. Danny has been scrupulous about safety all along and prefers to wait until May 18th for the full unlocking. Takeaways will probably re-start before then, so watch the web. Danny says, “The support from the village is absolutely fantastic. It’s been very humbling for us. To keep a village pub alive at the best of times is so, so hard physically and mentally. Covid has been incredibly tough, changing the business model and ensuring our staff get paid. Now we are getting ready for the 100 hours a week we were each doing before!”

Brand New Edge-of-Village Offices to Let: Forget building an office in the garden or spending all day working in your bedroom! Eight offices will soon be available at Folly Farm on Uppgate Street. Each approx. 5m square with shared toilet and kitchen. If all goes well, Openreach will supply hyper-fast broadband to the premises, to be rolled out from Attleborough in a month or so. Pollution

I have noticed instances of vehicles parked outside the village shop with their engines idling. Vehicle emissions, particularly from diesel cars, are harmful to health. Under current guidelines several people may be queuing to enter the shop, and children especially may be at risk from inhaling fumes. The Covid pandemic has brought particular health issues into focus, but we must not ignore wider health risks. Please switch off engines when parked in the village. Stay safe and stay well.

SERVING TOWN & COUNTRY

01842 761333 (24 hr)

a fresh approach

Notwithstanding the difficult year that we have all encountered, we can still broach the subject of funerals. Often the subject is not discussed until needed and often at that point it is a rushed and painful experience. Do our loved ones know your wishes? Some of us get ahead and pay for a funeral plan because of the fear of huge funeral bills.

We at Turner Funerals want to offer you the opportunity to get the conversation out of the dark. We hope to offer a fresh and lighter approach to the whole subject. It is not necessary to always have a traditional funeral. Decorum and integrity are still the most important requisites for any arrangement but there are new and alternative approaches.

We are more than willing to come to your home to have a chat or your group/club to give a talk to lighten the atmosphere and help you begin.

Covid protocols will be adhered to until restrictions are fully lifted.
