## **June 2023**

### **New Buckenham Players**

This June, New Buckenham Players bring you *The Foreigner* by Larry Shue. A guest lodge in rural Georgia provides a needed holiday for Charlie, a painfully shy British gentleman. However, his plan for solitude turns hilariously awry when his friend introduces him as an exotic foreigner who doesn't understand English!

The curtain opens on this whirlwind comedy at 8pm on 22nd, 23rd and 24th June at New Buckenham Village Hall, with refreshments available from 7:30pm.

Tickets are £10 and on sale at Kings Stores New Buckenham or online at <http://www.ticketsource.co.uk/new-buckenham-players>

# New Buckenham Parish Council

At the start of a new term of office for the Parish Council, I thought it might be useful to outline the work and workings of the Parish Council. The recent election was an 'Uncontested Election', as were the majority of elections in Breckland, as we had six candidates for seven vacancies. Councillors' names and contact details are published elsewhere in this edition of *Parish News*, as are details of the process to co-opt a seventh councillor. Please contact me if you would like further information about this process. The closing date for applications is 12th June.

Now, to the work and workings: The Parish Council meets on the second Tuesday of every month at 7:30pm at the Village Hall (please note that we generally don't meet in August). A calendar of meetings is regularly published. All meetings are open to the public and there is a Public Participation period for people to bring along their ideas and express their views. I write updates in *Parish News* every month and there is a précis of the minutes of the previous meeting in each edition. We have a website [newbuckenhampc.info](http://newbuckenhampc.info), which has recently been redesigned and is regularly updated. We also have information on our notice board on the Village Green. In addition to our regular meetings, we have our Annual Parish Meeting in April. This gives our parishioners an opportunity to hear reports about the work done by the Parish Council over the previous year and has a public forum for debate. Sadly, even with the promise of drinks and nibbles, only two people attended this year! As a Parish Council, we feel that we are extremely accessible and hope that you would be happy to contact any one of us with questions or issues.

Although I personally am not on Facebook, I know that there have been comments regarding issues raised by the recent car accident on King Street. Suggestions have been made about child-shaped

bollards, which we will definitely look into, although the final decision would be taken by Norfolk County Council's Highways department and not the Parish Council. Speed-limit stickers for wheelie bins have also been suggested and are another excellent idea. As the roads of New Buckenham become ever more congested, one person suggested that we ask those who have driveways to be kind enough to park their cars off the road. As ever, we also ask that people park with due consideration to others and avoid parking near junctions, particularly the Church Street / Chapel Street junction which is becoming ever more dangerous. Susan Felton has set up a Speed Watch team who will soon be receiving their training and will be active in the village. You can read about this elsewhere in *Parish News*. Thanks to Sue and her group of volunteers.

Speeding and parking are regularly discussed at our meetings and our minutes provide a paper trail of actions which we have looked at. From comments on Facebook, a number of people will be attending our next meeting. We will be delighted to see you and hear your ideas and views. Thank you.

I'll finish with a reminder that our next Parish Council meeting is on 13th June at 7:30pm at the Village Hall and a warm welcome is, as ever, extended to all parishioners.

# Community Speedwatch

A great many of us are concerned about the speeding in our lovely village and we are in the process of setting up a Community Speedwatch group to try and do something about it. Driving at excessive speeds through our winding, occupied roads is a very real danger to families and pets, as well as our parked cars, and the recent accident on Kings Street could have resulted in more than a demolished bollard and badly damaged pavement. Primarily we want to ensure that everybody is safe walking around the village and our children are safe playing. But, added to this, we want the relaxed, pleasant environment I suspect many of us opted for when choosing to live in this historical village far from city life. We also want our buildings and homes preserved and reduced noise pollution; 'Two-wheel Tuesday' comes to mind!

We have seen a marked increase in traffic with the ongoing works on the A11 and hopefully this will decrease with time, but if it doesn't, we need to have solutions for the 'rat-running' traffic. We need to get all motorists to respect the 20 miles-per-hour speed limit from start to finish and, for clarity, the police have confirmed that this speed limit will be enforced. I urge all members of our community to drive at, or below 20 miles per hour as this, in itself, will slow the traffic passing through the village. Please also put up stickers, speak to visitors, delivery drivers, etc., and if you'd like to help further, please do get in touch. We have both the support of the police and the Parish Council to attack this challenging and persistent problem and please support us when you see us in the village.

*Sue Felton*

# News From the Pews

**Welcome:** We were delighted to welcome 2-year-old Tony Drogotă, son of Katie Anne and Sandro, to our church family at his baptism on 13th May.

**Gardens:** The church gardens are looking lovely as summer approaches. This is communal village space – please come and sit, or walk in the gardens, whenever you like. The church itself is open from 10am to dusk every day.

**Coffeemates:** Thanks to all who baked, bought, and otherwise supported the coffee morning on 20th May. The church looked particularly joyful, full of sunshine, summer decorations and flowers and we raised £103 towards church running costs. Next dates: 10th June raising funds for Admiral Dementia Nurses and 8th July for Toilet Twinning. All 10:30am with coffee, cake, stalls and raffle.

**Village & Vestry:** And more thanks to V&V for hosting the Waveney Choir's *Songs from the Shows* on 13th May. It was a brilliant evening of music and raised £700 for essential church funds.

**Service Rota:** Details on separate page and on the church noticeboard. It may vary from month to month, but we always have Evensong here at 4:30pm on 2nd Sunday of the month and Morning Worship at 11am on 4th Sunday and would love to welcome you. The Evensong choir is back to full strength and sounding rather good!

**The Annual Parochial Church Meeting:** This was held on Sunday 14th May, with re-election of PCC officers. So that's a relief!

**Waveney Food Bank:** We continue to take donations, as does Kings Stores. The food bank has fed an unprecedented 10,300 people in the last 12 months, and their supplies have become critically low in some areas, particularly pasta sauce and tinned veg.

**Contact details:** For pastoral matters, Revd Sarah Walsh (07809 430967 / revsewalsh967@gmail.com). Enquires about funerals in the benefice, Jill Moses (jillannm1@gmail.com) and for weddings and baptisms Val Plummer (quidenhamgroup.wedding@gmail.com). For details of services, Susan, and queries about the premises, Louise.

*Louise Casson (860191) & Susan Hilton-Jowett (860929)*

## **Thank you from Village and Vestry**

Many thanks to those who supported our recent events in aid of St Martin's church. We raised £150 at our coffee morning and with the help of the super Waveney Choir, we raised a further £700. Our funds this year will go towards providing a new porch light, thus enabling the entrance to the church to be well lit and safe for all users.

We look forward to seeing you in July with 'Music for a Summer Evening' along with some 'fizz' and strawberries and cream!

## **Church Organ Fund**

This is to let you all know that following the issue of last month's *Parish News* we have already had donations totalling £2,500 towards the organ repair fund from three anonymous donors. This means we can start the process on the most urgent and immediate repair and to the donors we say many, many thanks!

We need £17,000 in total and it's going to be hard work to raise the remainder of the money required. We have an influential contact, Peter Lee who is looking for grants and funding from various sources, but these things take time. Peter is currently speaking with the Institute of Organ Builders to see if they can help.

*Jimps (Church Treasurer)*

# The Upcoming Village Show

Hi everyone, it's me again reminding you that the height of the New Buckenham social calendar is the Village Show on Saturday 29th July! Oh, that's right, you already knew, and you have a copy of the schedule attached by magnet to your fridge door. Thank you, but there are some other things you need to know.

First, we are changing the rules for the Up the Wall competition. We shall be judging an individual hanging basket, window box, planter, or the like. When you enter, I shall issue you with either a wristband or a plant marker stick for you to identify which one you wish to be judged. There has been some confusion in the past and we hope that this will clarify matters.

Secondly, it's time to get the polishing rags out for last year's winners to spruce up the trophies and please return them to Karen Hobley at 9 St Martin's Close or me at the Old Forge.

Thirdly, and this is a bit presumptive, but we will need some cakes on the day. Not only those to be judged in the Cookery section, but also for our visitors in the afternoon.

If you are new to the Village Show, then let me assure you that it is a very friendly event with all ages taking part. If you don't feel like entering then please come along at 2:00pm on 29th July to see the entries and the bonhomie that exists with entrants and visitors.

If you have mislaid your schedule that I put through your door before Easter then I can supply a new one or there is one online at [newbuckenham.net](http://newbuckenham.net). Also please encourage friends and family to enter: the more the merrier!

*Jimps, Karen, Lynn and Ellie*

# August Bank Holiday Fete

The Village Fete will be returning this year on Monday 28th August (1pm start) and preparations are now underway. The fete will follow a similar format to last year, with the usual attractions and fun for all the family at the Village Hall.

We will continue to provide updates as the date gets closer, but in the meantime, please note the following:

**WHITE ELEPHANT STALL:** If you have good quality items to donate please contact Janet Webb (860450) or Audrey Dowling (861155) to arrange for drop off. If necessary, we can arrange for the collection of larger items. No electrical items or large furniture please.

**BOOK STALL:** Books will be stored by Carolyn Hupton. Either leave in the garage of Beech House or call Carolyn (860216) if you need to arrange for collection. No magazines or outdated technical/educational books please.

**NEARLY NEW:** Very good quality clothes only please. Donations will be stored by Jackie Bishop-Aldous at 13 St Martins Gardens. Please call Jackie first before dropping off items on 07885 685016.

**TOMBOLA:** We are looking for donations for prizes for the tombola. There will be a collection box in Kings Stores and in the church. Toiletries, 'unwanted' gifts, boxes of sweets or chocolates, wine etc would be much appreciated.

**VINTAGE OR UNUSUAL VEHICLES:** This has been a popular attraction at previous fetes. If you have a vintage or unusual vehicle you would like to display, please contact Clive Rush on 860572 or call in at Mill House Garage.

**HELPERS:** Those of you who kindly helped out last year will no doubt be contacted by me over the next few weeks in the hope that we can sign you up for this year. For those who are new to the village

and can spare some time to help, please contact me on 07534 353713 or [jon.frith@frith-blake.co.uk](mailto:jon.frith@frith-blake.co.uk). Even an hour of help on the day makes a difference and it is a great way to get to know others in the village. What we really need are volunteers willing to join the committee and help with the organisation – if you are willing and able please let me know.

**RAFFLE PRIZES:** Look out for your books of raffle tickets in future editions of parish news. Please gently harass friends and family to buy the tickets as this makes a big difference to how much money the fete raises. We are very lucky again this year and have some amazing prizes. These include a 3- or 4-night break at a windmill in north Norfolk (worth about £750), dinner, bed and breakfast for two at the Crown Hotel in Wells-Next-the-Sea, and many more.

**GAZEBOS AND TENTS:** Fingers crossed we will have good weather and we can never have too many gazebos and party tents. If you are able to loan any for the day it would be appreciated.

Watch this space for more details as we get closer to August. Finally, thank you to everyone who is helping me navigate this new role of fete organiser – it is very much appreciated!

## **We are back!**

Audrey and Janet are already collecting items to sell on their white elephant stall. Let's hope we can make 'loadsamoney' as we did last year! Come on you 'new' people, let us have your surplus 'stuff' and we promise to make money for the village. Thank you in advance!

*Audrey (861155) and Janet (860450)*

# **New Buckenham Junior Football Club**

## **The David Seville Cup for Sportsmanship**

David was a longstanding villager who sadly passed away in 2021. Many years ago, he set up a football team in the village and did this again in the not-so-distant past, when two of the lads in the village knocked on his door and asked him to help them set up a new team.

New Buckenham Junior Football Club continues to thrive and will have four teams next season supporting youngsters to enjoy their football and encouraging a healthy outdoor lifestyle with training one night a week and games at the weekend.

David was their President and ardent supporter until his death. The Club has decided to purchase a cup in David's memory and the David Seville Cup for Sportsmanship will be presented for the first time this year. We are unsure whether David has any close relatives in the area but would love to hear from anyone who may be related to him and would like to hear about the Cup or could even present it at our Presentation Day at the Village Hall on Sunday 11th June from 9am to 1pm.

Please do contact me if you would like any further information.

*Karen Hobley*

# A Strange Phenomenon

One of the drawbacks of having a dog is that they need to be walked regularly and you can guess why! I like to walk mine during the day and also last thing at night, as he will be shut in the house for several hours until morning. I like to walk him across the cricket pitch as there is something quite magical about the common that time of night: the stars, the mist, the rustling trees, the crows quiet for once and the solitude!

Last night, the eve of the Coronation, I witnessed a strange phenomenon whilst walking across the cricket pitch. The day had been quite exciting weatherwise with sunshine and some very heavy thunderstorms. The night was amazing clear with a very bright full moon to the south of the village and to the north, round about Attleborough I would guess, it was raining again. And one could make out, quite dimly, a rainbow created by the moonlight. I had to look twice but it arced over the horizon and quickly was gone.

In all the years of walking dogs late at night I have never seen such a thing and I feel quite privileged to have done so.

And please, this is not an invitation to join me late at night on the common as these phenomenon do not occur very often.

*Jimps*

# Coronation Celebrations

What a wonderful day we had in the village on Sunday 7th May - Opening the children's garden and celebrating King Charles III Coronation. Thank you to everyone who came along and made it so special!

It all started with getting the children's garden ready to be officially opened. The children arrived at 11:15am to plant the seedlings they had been growing for the bee-friendly meadow and scattering the remaining seeds. At 12pm they all helped to cut the ribbon to officially open the garden. All the children then joined in with planting a beautiful cherry tree, to mark the Coronation. A time capsule has also been buried at the spot, full of small treasures from the children, their memories, dreams and wishes!

The villagers arrived laden with the most incredible spread of salads and cakes to share and at 12:30pm the BBQ was ready! The weather was glorious (hard to believe now!). We had a brilliant afternoon, entertained by the Golden Star Morris Dancers. They used to come and celebrate the May Day celebrations in New Buckenham in the 1980s! What a lovely way to spend a Sunday afternoon, outside in the sunshine, eating, drinking and laughing with our friends in the village. Helped with the free ice-cream all day! It was a very relaxed and fun atmosphere, with plenty of community spirit.

The children had a great time making crowns, bracelets and colouring in, and took home a commemorative bookmark and bag of sweets.

A huge thank you to the Coronation team, Meryl Anderson, Jackie Bishop-Aldous, Sue Britton and Sonya Duncan. They have worked incredibly hard with all the decorations, beautiful flowers and arrangements to make this event happen.

Also, a big thank you to New Buckenham Parish Council who very generously helped fund this event and to Rosemary for her kind donation to the children's crafts.

Thank you to our volunteers Philip, Lisa, Sheena and Darren on the BBQ. They worked tirelessly all day to make sure everyone was fed and to Robert St John Cooper for cooking the vegetarian options. Also, to John Halfacree for helping to get all the food.

Thank you to Jeanie Anderson and Christine Lowden for providing free ice cream all day and to Gerry for arranging the ice cream supplies.

A very big thank you to Phil Anderson for all his help with the garden and putting up the bunting. I am so grateful. Phil and family have given all their time for free and provided me with invaluable advice for creating the Children's Garden for the village.

A massive thank you to Janet & Audrey for providing all the teas and coffees and the new bunting. They worked tirelessly all day and their help was much appreciated. I think you will all agree two absolutely wonderful ladies. Thank you to Mark Littlewood and Helen Littlewood for designing the beautiful invitations for this event.

Apologies if I have forgotten anyone, I'm off for a little rest now! Thank you New Buckenham for making this such an incredible event, you are the best!

*Mandy Hartley*

# Re-greening of Market Place

Decimated by last year's drought and mowing regime, leaving it brown, dead and barren for months, both sides of Market Place are now recovering.

Towards the end of last summer, there was evidence of the hardiness of wild flowers in the extreme conditions, as individual flowers and little patches of others began to emerge.

This spring, following cooler temperatures and much needed rain, the green is back! But, all is not quite as it was. Instead of grass, in some places there are large patches of wild creeping geranium with its tiny pink flowers and flat green leaves. This must have lain dormant for many years waiting for the right conditions for it to burst into life. So, we now have a pink green!

Another hugely positive asset for Market Place is Phil Anderson who has the contract for cutting the grass. Phil has now done this three times, setting the parameters for regular cuts throughout the year. The last cut is usually around September.

With Phil's knowledge, understanding and sensitivity, these cuts are already paying dividends. The longer, stronger grass has been trimmed giving the right conditions for the wild flowers to come through. This has had an immediate effect on the number and variety of bees and other pollinators feeding on them. In turn, the birds are now more in evidence on the ground, feeding on the bugs attracted to the wild flowers. Alongside the starlings and blackbirds, a pair of goldfinches has also been seen.

The High Bailiffs Trust's management of Market Place has not always been easy with conflict between keeping the status quo of tidy yet unproductive grass, or supporting biodiversity. However, by allowing a small, tucked away area next to Wisteria House to remain wild, but managed, a sensitive and meaningful compromise has been reached.

Not only is our village unique in its layout and built history, the natural resources around us provide a rich and varied biodiversity.

The common, a Site of Special Scientific Interest (SSSI) is owned and cared for by the Norfolk Wildlife Trust (NWT).

With increasing awareness of the importance of leaving even small areas wild, such as the churchyard, verges and an area on the playing field, our capacity for improving our biodiverse footprint is growing.

Each of these areas around the village build an important link which creates a highway for the bees and other bugs. Each of these areas also has particular conditions supporting the flowers which grow on them. Thus, the green-winged orchids do not grow elsewhere. In return, the common does not support the variety of wild flowers seen in and around the village.

Underneath the lime trees on the south side of Market Place is particularly rich. There is a minimum of twenty-five different flower varieties as well as several types of grass.

Apart from the lime trees which were planted possibly 160 years ago, this piece of ground has never been cultivated. Helen Baczkowska, from the NWT, says this is likely to be a rare area of ancient grassland dating back to medieval times. This means it has lain virtually untouched for centuries.

Parts of this small area have moss growing in the shadier patches. This helps to retain moisture which is probably why two frogs had made it their home a couple of years ago. Leaving the grass a little longer in this space is also important in cutting down evaporation so keeping a degree of dampness in the ground.

The wonderful children's garden project set up by Mandy Hartley shows what we can do for wildlife in our gardens.

*Continued overleaf...*

The exciting prospect of a community woodland, as well as the new trees planted three years ago add yet another level of support from the village towards combating climate change.

With all that we are doing towards protecting and promoting wildlife, New Buckenham has the opportunity of becoming a pioneering flagship village, with tourists and visitors inspired to take some of our ideas back to their own communities.

# New Buckenham Silver Band

The New Buckenham Silver Band would like to say a big thank you for all the support and help we received to put on the memorial concert for Tommy Winsor. It was a great success with a full hall and the Band thoroughly enjoyed performing and recalling many happy memories about Tommy. A big thanks to Tommy's family as well, who encouraged us to organise the concert, which has been our first in the village since Covid hit. We hope it will be the first of many and look forward to continue entertaining!
