Macmillan Big Coffee Morning

Please come and support the Macmillan Big Coffee Morning at New Buckenham Village Hall on Friday September 29th. This year we are serving breakfast from 8 a.m.-9 a.m. with toast, homemade jams, croissants, coffee and tea, then 9 a.m.-12noon we will be serving cake, teas, and coffee, and any left over croissants.

There will be a raffle so if anyone could donate a prize it would be most welcome. If anyone could make a cake and deliver it to the hall would be much appreciated. All proceeds go to Macmillan Cancer Support. Please put this date in your dairies and support this worthy charity.

Thank you, hope to see you there.

I have already received a very generous donation of £300.00 so we are well and truly up and running.

Clive Rush.

Parish News Team

Parish News - will you help?

For the past year or so, Simon Ballard has been printing Parish News in his office in London, carrying it home on the train and collating it with Pippa. This was an onerous task and one that Simon has had to relinquish. We are very grateful for his hard work but it has left us with something of a problem.

Simon produced Parish News at no cost to the village (big thanks for his generosity) and, before that, Jean & Gerry printed it for us at highly subsidised rates. This service, too, is no longer available. In the past we were able to cover our costs with the revenue generated by the income from advertisements.

There was a time when we made a charge for the Parish News, but collecting the money was a task the monthly distributors disliked and we would prefer not to do it. Photocopying each edition is time-consuming and somewhat of a burden to the volunteers. It's also quite expensive; and after extensive enquiries, we have found that to have the News printed and collated professionally (and locally) would leave us with a shortfall of £50 between income and expenditure per month.

We are therefore asking Village societies, groups and individuals if they would commit to sponsoring an edition, perhaps on a yearly basis, to the tune of £50. If, after consideration, you or your group or society feel able to commit to an edition, please contact Mary Dowson to discuss.

Methodist Chapel

It is with sadness that I am writing, that our Chapel is closing on 1st October 2017. The Rev. J Horton will take this last service, and we welcome anyone young or old who attended Sunday School, our anniversaries or our Youth Club.

We have many happy memories of our Summer celebrations, Harvest Festivals on Sunday mornings, and Auctions on Monday evenings. We all gave and bought. Mrs Ivy Bailey always made lovely toffee and I made meat pies. We all bid against each other and it was good fun.

We would like to thank all the people who have helped us, no names, you know who you are! Thank you.

Sadly, most of our helpers and friends have passed away and no young people have replaced them. Our speakers all travel to New Buckenham and it is not fair to ask them to come for so few worshippers. So we thank you all.

God Bless.

Jean Howling

Byron Davy

Byron sadly passed away on 7 July 2017, after suffering from dementia for several years. His funeral took place on Tuesday 25th July 2017 at St. Martin's Church, New Buckenham. We would like to thank all family and friends, for the cards, flowers and messages of sympathy at this difficult time. Thank you, they are greatly appreciated.

New Buckenham Village Hall Trust

Chair(s) Report for the AGM 2017

The Village Hall Trust AGM was held on 18th July, we were pleased to have the pleasure of a number of village residents in addition to the current Village Hall Trustees, with apologies from those that were unable to attend.

At the beginning of the year the Trustees were faced with the dilemma of who to elect as Chair - none of the current members were able to commit to taking the role on full time. In true innovative fashion we decided on a rotating Chair with each serving for a 2 month period. This has worked remarkably well and will continue for the following year. So this Report is the combined effort of all of the years serving Chair, who in addition to myself include Sandra Lester, John Hobley and Ed Dowling - thanks go to all. Having drawn the short straw it was my lot to Chair the AGM.

Success of the operation of the village hall is thanks to a great team of people not least of these being Stevie Hobley who is responsible for all the administration and booking. The Hall is reliant for being the success it is for support and hard work from many people and the Trustees thank all those who keep the building going. The Trustees are an essential part of the process and all contribute in many ways, so thanks to all Trustees for their work. Below is a list of all the Trustees for 2017/18 some nominated, some elected and some co-opted.

We currently have three vacancies on the Trust and are looking for Trustees to take on responsibility for: Young People History and Conservation and Women's Groups. An interest is all that is required but most important is a willingness to actively support and help with village hall activities and to liaise with the community groups that use the hall.

Only with the background work that the Trustees dedicate to the running of the hall can we continue to have a true community venue that meets the needs of the village and the surrounding area. Interested? Contact one of the Trustees to find out more. Below is a summary of “what happened this year” collated from all the chair’s reports.

1. Maintaining the fabric of the hall and its surroundings is a key part of the work of the Trustees. This year included painting of the interior and external woodwork on the windows, replacing the kitchen door, and maintenance to the heating system.
2. In October 2016 the hedge around the field was cut back, we now need to keep on top of this with regular cutting.
3. The application for a mobile mast was turned down due to an objection from Historic England which went uncontested possibly due to negative reactions to the project from the village. Sadly we understand that the mast will now be located outside the village on private land with the income going to the landowner rather than into the community. The Trust has been working to ensure a reasonable level of non-hiring income to reduce dependency on hiring income and fundraising, the income from the mobile phone mast would have been invaluable in achieving this goal.
4. The Parish Council Community Fund enabled us to acquire a small digital projector and screen for the large meeting room.
5. Income from hiring and donations was £29321 (fundraising provided about £3000) outgoings were £29727. This shows the importance of fund-raising to this success of the Hall. We do however aim to identify specific projects that can be funded by donation income wherever possible. We are also benefitting from the income received from the solar panels output, about £1900 this year. Thanks to all those that work so hard in fundraising

6. We reviewed our hiring charges and there will be an increase to weekend function hire for weddings and parties, all other hire charges are unchanged. Bookings remain good; we lost our senior football team but we welcome back the Junior Football team!

7. We have a presence on social media (Website and Facebook page). The provision of Wifi in the hall is a great benefit to help us keep connected to the community. After the meeting we enjoyed a glass of wine and had an open forum with subjects ranging from replacement theatre lighting, to attracting participation of more residents of the village in community activities.

Breckland Local Plan

Breckland Local Plan documents that will shape future growth and development in the district until 2036 have been approved by Breckland Council to go out for a six week pre-submission consultation between 21st August and 2nd October 2017. Once adopted, the Local Plan will set out the policies used to determine planning applications and the location of sites to meet housing, retail and employment requirements. It will also identify a five year supply of housing land which will give the Council more control of the location of new housing and will reduce the likelihood of ad-hoc development.

The Local Plan has been shaped through three previous public consultations and a number of open events held in each of the five market towns.

During the pre-publication period, the Council will be inviting views as to the 'soundness' of the Draft Local Plan - i.e. whether it is consistent with national policy, and sets out an appropriate strategy to meet the housing and infrastructure requirements of the District. During this period the draft Plan can be viewed on the Council's website and copies of the document will be available for inspection in the libraries in the market towns and the customer contact centres. You can also contact the Parish Clerk or Adrian Joel - District Councillor for the Buckenhams & Banham Ward, email: adrianpjoel@btinternet.com

Once the pre-publication period is over, the responses will be reviewed and any necessary amendments made before the document is submitted to the Secretary of State for the Examination in Public.

Neighbourhood Plan Survey

The survey has now been delivered to every household apart from those where people may be on holiday. We'll deliver their forms when they're back. Within just one week a significant number of survey forms have already been completed and returned or done on-line, demonstrating the community support.

Please would everybody complete a form, that is everyone aged 16 and upwards. We are keen to get as many views and opinions as possible. Please make sure the youngsters in your household have participated because it's their future. What's more, the 16 - 24 year old age group isn't that large so there's a reasonable chance of winning the £25 cash prize in the free draw!

We'll close the survey at the end of the month, then start analysing the results. To ensure confidentiality, all the information linking the numbers and the households will be kept securely by a team member who is not taking part in processing the answers. Likewise those who process the answers will not have access to the household details.

The survey analysis will take some time but we hope that preliminary results will be published early in October. Meanwhile do have a look at our website www.np4nb.online or www.facebook.com/np4nb where all comments and views are welcomed.

Mary Marriott Tribute

Mary Marriott died on 30th June 2017. She, along with her late husband Ken, lived in Holly Farm, along Haugh Road, for over 30 years. Although their address was Banham, they liked to think of themselves as New Buckenhamians. For over 25 of those years, until frailty and ill health took their toll, they ran a small friendly and successful hideaway campsite. Mary would welcome visitors with a tray of tea and biscuits.

Almost as soon as they arrived, they threw themselves into Village life. Mary was in the W. I., helped, certainly in the early days with flower arranging in your lovely church. Garden Parties were held in their garden, and they helped run the Good Companions. The annual village fete was a family occasion for years.

The village soon realised that Ken would know how to make/mend ..and they were never too busy to lend a hand to any village activity.

The family would like to thank the village for allowing them and us to share in the life of New Buckenham.
