A black poster with a white border, featuring two large firework bursts: a red and orange one in the upper left and a purple and pink one in the lower left. The text is arranged on the right side of the poster. The main title 'Firework Display' is in a large, white, cursive font. Above it, the date and location are in orange and white. At the bottom, the start times for gates and bonfire are listed in white. Small white starburst graphics are scattered throughout the black background.

# New Buckenham Players

New Buckenham Players' Christmas play this year will be *The Lion, The Witch and The Wardrobe* by C.S. Lewis, adapted by Glyn Robbins and published by Samuel French. The play is directed by Sally Elvin and Ellie Hupton.

The story is about four children who are evacuated during the Second World War. They arrive at a very large house. The occupants are a professor and his housekeeper, they welcome the children and hope that they will enjoy their stay. This is where their adventures begin, when Lucy opens a wardrobe door she discovers a magical place called Narnia!

Ellie and I have had this play in mind to direct for several years, and we hope that you all enjoy the new experience of something modern and new. When so many adults and children came forward for the auditions, Ellie and I said we would make sure that everyone would have a part to play especially the children. The play has been cast and all are working hard to bring this show together for you all to enjoy, adults and children alike.

The crew have been working back stage to make the props and scenery, which this year will be challenging as they have two directors to deal with. As always, they will bring the stage alive to enhance the magic of the play.

The dates for the performance are the 5th, 6th and 7th December. The adult ticket price will be £9 for all performances. Children under 16 attending the matinee will be charged £5. Performances will start at 8pm and 2:30pm for the Matinee.

The tickets will go on sale from 18th November. Phone the box office on 01953 861438/860320. Tickets are also available from Kings Stores.

We look forward to seeing you all.

# All We Need – Is You!

Everything is now in place for our tree-planting ceremony on Saturday 9th November! We have the tree, a native oak, purchased from Barcham Trees nursery in Ely. We have permission to plant it on the village green in a position approved by the High Bailiffs. We have devised a safe and simple route for our celebratory procession around the village starting from the church. And last, but definitely not least, we have chosen our special dignitary to plant the tree – it had to be Violet Highton, who, just three months ago, wrote her impassioned piece on global warming for *Parish News*, inspiring us to form a local climate action group Climate Action Now! (aka New Buckenham CAN!)

All we need now is YOU!

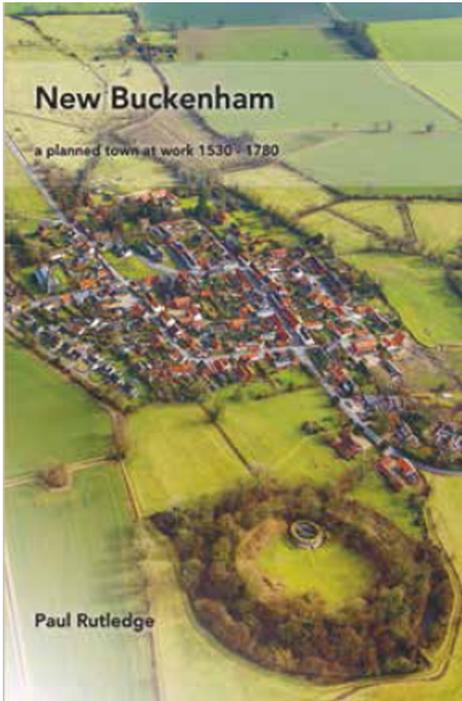

Everyone is warmly invited to be part of this historic occasion, but we would especially love to see families with young children, since it is their future – and their children's and grandchildren's futures – that we are all concerned to protect. Planting carbon-capturing trees is now known to be one of the cheapest, most effective ways to fight climate change.

Please come and join us if you can for this very special celebration, which we envisage as the first in an intensive programme of tree planting and other related events in our village.

We will be meeting at the church from 1:30pm so that people can make brightly-coloured banners, have their faces painted (if they fancy it!) and write special wishes for the peaceful future of our planet (to be later tied on the tree) before setting off on the procession. The tree planting itself is scheduled for 3pm. We are hoping to attract some press coverage.

# Winter Warmer

On my early(ish!) morning walks around the village I have been struck by the amount of people I have met who have expressed how much they dislike the winter, particularly the early darkness and long evenings. This has prompted an idea: a once-a-month drop in cafe at the Village Hall on Mondays between 4pm–6pm from December to March. I'm not thinking of a club, with subs which have to be paid, committees, etc., just a very loose arrangement, turn up if you feel like it, maybe play cards, board games, bring your knitting, have a chat and a cuppa with others.

The dates I have in mind are 9th December, 6th January, 3rd February and 2nd March, just until the days are a bit longer.

I've been involved in several things in the village, but never 'run' anything before, so any and all ideas/help/support would be very welcome.

Please give me a ring/e-mail me if you would be interested in coming along to these drop-ins and/or have any advice.

## To All Hall Users

The New Buckenham Players are putting on a show for Christmas – *The Lion, The Witch and the Wardrobe* – and the extended stage will be erected on Saturday 23rd November. This will mean that the door from the main hall into the store will be blocked and the only access to the store will be via the Small Meeting Room. It will be like this until Sunday 8th December and we apologise for the inconvenience this may be for some users of the hall.

Please contact me if this limited access will create a problem and I will try and organise assistance for you. Do come along to the show and we hope you will forgive us for rather taking over the Hall during production week!

## New Buckenham's Biggest Coffee Morning

It was lovely to see so many people supporting our Big Coffee Morning in aid of Macmillan Cancer Support at the Village Hall. I know many of you have been coming to this event for a few years now. It is a very social occasion and a time to sit and chat over a cup of coffee and enjoy the wonderful cakes.

A big thank to everyone who helped make this such a success: to those who helped with the breakfast; those who helped serve the coffee and cakes; those who helped with the raffle; and those who stayed and helped wash up or clear away! Lastly, a big thank you to everyone for the wonderful cakes – they were delicious and were all eaten or bought. It is true to say that without all your support for this event it would not be possible to do all this. So a very big thank you to everyone!

Our Grand Total: £1020 raised for Macmillan Cancer Support!

Thank you again to everyone.

*Clive Rush*

## Film Night: *Yesterday*

Our film on Saturday 16th November will be *Yesterday*, written by Richard Curtis and directed by Danny Boyle. The storyline is totally improbable, but the film is funny and highly entertaining. The fanciful premise is that an unsuccessful Suffolk busker named Jack Malik wakes up after a road accident to find that he is the only man on Earth who remembers The Beatles. He starts writing down and performing their songs and is suddenly propelled to stardom.

Himesh Patel plays Jack and Lily James plays his manager and would-be girlfriend. Ed Sheeran plays himself in an interesting supporting role.

Tickets cost £5 (£6 on the door) and are on sale at Kings Stores, via [www.wegottickets.com](http://www.wegottickets.com) or can be reserved either by calling 861114 or by emailing [sandralester5@gmail.com](mailto:sandralester5@gmail.com). Doors at the Village Hall will open at 7pm for bar and refreshments, and ice-creams will be sold during the interval. The programme will start at 7:30pm.

## Clear Up After Your Dog

The village's ongoing problem with dog mess not being picked up has now spread from the streets to the cemetery. We have received reports that dog mess has recently been found by family members tending graves – a very distressing experience.

There are many reasons why the cemetery is not a suitable place to exercise a dog. Could dog-owners once again be reminded to show consideration for their fellow residents and use the dog mess bins provided around the village (including one just outside the cemetery).

# Good Companions

At the meeting on 17th October we were entertained by Arthur Barrett, who many of you might remember taught at Old Buckenham High School for many years, with a light-hearted talk on the railways and those members who were unable to come missed an interesting afternoon.

The sale on Saturday 19th October made £314 towards club funds. We wish to thank all those who have supported the two sales we have held during the year, which help to keep the club going for the older residents of the village.

The next meeting will be held in village hall at 2:30pm on Thursday 21st November.

# New Buckenham Common

When did you last saunter across the SSSI in New Buckenham?

The Norfolk Wildlife Trust has organised a winter programme of activities to help boost interest and gather statistics about the New Buckenham SSSI. The Common has been designated since 1982, but, remarkably, there is almost no regular update of information about what is happening there in wildlife terms, despite our common being the most frequently visited site of all the NWT reserves.

The Trust has recently won Heritage Lottery Funding for their new *Wildlife in Common* project so they can promote activities here. Reserves Assistant, Izzy Williamson, is the person responsible (alongside Breckland Reserves Manager Jonathan Preston) for the site. “I believe local engagement with a site like this to be really important for both the wellbeing of local people and as a means of fostering respect and care for the site”, says Izzy. For this reason she’s keen to raise the profile and get interest going with a series of events.

**EYES DOWN FOR FINDING FUNGI!** In October, the Trust set up a Fungus Foray led by Tony Leech, who is a member of the Fungi Study Group and County Recorder. Until now, the NWT haven't collected much data about the SSSI. Tony did a check before coming here and found only ONE previous record!

## THAT'S ABOUT TO CHANGE

The foray was led by Izzy and Tony. Thirteen fungus fanatics turned up... some were from NB and local villages, others had come all the way from Norwich. Ages were varied and at least one attendee was young enough to be able to confront the fungus face to face at ground level! It was eyes down for what turned out to be a impressive array and lots of learning. The Parasol fungi put on a particularly good show. There was also a Crust Fungi that not surprisingly caused a few "WOWS" when looked at with a hand lens! Tony was so impressed with the site that he is going to bring the study group here next year for an in-depth survey. Thanks to NWT for their efforts and to the Fungus Foragers who started the ball rolling.

Other events upcoming:

Work parties: 15th November & 13th December 10am–3:30pm. Help NWT to manage the scrub. Bring a packed lunch. Hot drinks and tools provided. Meet at the car park.

Tuesday 17th December 7:30pm Village Hall: Talk on Common (and not so common) wildlife by Gemma Walker and Izzy Williamson.

More information about the Norfolk Wildlife Trust and its work can be found at [www.norfolkwildlifetrust.org.uk](http://www.norfolkwildlifetrust.org.uk) or on 01603 625540.

# Coffeemates!

Coffeemates grew out of the church coffee mornings run by Sheila Roberts and others. It is based at St Martin's church, but is run by friends from all denominations, and is a lovely social event each month. People ask why we don't use this money to maintain the actual church building, but it is an important part of Christian life to support those in need, even if we had to hold our services in a tent! So, we carry on doing this, while Village & Vestry are working so hard to support us, and we couldn't do it without them or you.

The money we have raised this year is as follows:

Old Buckenham Raise the Roof appeal	£120
Priscilla Bacon hospice	£130
The Tricky Period	£80
Medaille Trust	£140
Talking Newspaper	£170
<u>Royal Agricultural Benevolent Institution</u>	<u>£155</u>
<u>Total</u>	<u>£795</u>

When we add the £75 raised at the Lent Lunch for the Bishop's Appeal against Human Trafficking and the £300 sent to the Children's Society after the Christingle Service and Carols on the Green, that's a total of £1,170 that you have helped raise.

Thank you to all who have helped with setting up and serving; with providing crafts, cakes, and flowers; with money counting, ticket folding, table shifting, poster posting, and washing up; and to Louise and Christopher for suggesting and liaising with charities.

The spread at the Harvest Tea was exceptional – sandwiches, scones with cream, gorgeous cakes – many thanks to Louise and Kathie and all the bakers. The church looked beautiful

(thanks, Judith and Helen) and we have a good box full of tins, etc., for the food bank.

We shall start again in April or May next year, so watch out for details. Thank you again for your support.

*Susie Jowett*

## August Fete

Well, sitting down and writing this on a dark, damp October evening reminds me instantly of the boiling hot Bank Holiday Monday!

As always, we are indebted to all the help and support we get from the village and also the many visitors who come from further afield, it was good to see new faces helping out setting up and putting away – many hands make light work, as they say.

It is good to see how the Fete has evolved since we made the move to the Village Hall site. As each year passes we aim to tweak and change, where necessary, to improve the event and any feedback would be more than welcome.

On the financial side, while it was not a record breaker it was a great success raising £3,533 – this is shared between St Mary's church, the Village Hall and the High Bailiffs Trust, with the fourth quarter being held, as we are aware that we need to invest in future resources.

In years gone by I used to post a spreadsheet in the *Parish News* with a breakdown of income and expenses, but that is now too unwieldy to display effectively, so if anyone would like a copy please contact me.
